

**Product ID:**  
RGHK11 BigGuy

**Product Name:**  
The Big Guy Kit  
(Tested and approved for a user weight up to 140kg)

**The BigGuy kit comes complete with a two point safty harness and a single leg fall arrest safety lanyard.**

The lanyard is suitable for a user weight of up to 140kg. The combination allows work to take place at an open edge or ungated ladder hatch. The lanyard comes attached with an ANSI approved scaffold hook which has a stronger gate. The hook is designed for simple connection to scaffolding and other steel structures.
