

Product ID:
RGP11

Product Name:
Utility Multi Purpose Polestrap

The RGP11 has been specially designed with a controlled release adjuster buckle to ensure safe operation and adjustment.

Double layer abrasion pad protects the strap from damage. Velcro strap sewn to hand hold provides a safe means of retaining loose end. Additional label sewn inside a pocket to allow for entering user details.

Swivel snap hook and triangle/karabiner ensures flat surface contact with pole. 40mm sliding loop keeps the straps level and reduces the risk of premature webbing wear through the buckle. Available with different hook/karabiner options.

Accredited to:

EN 358:2018

Material:

43mm polyester webbing 3000kg
75mm webbing abrasion pad

Fittings:

Double action safety hook on adjustable end

Features:

Fully adjustable
